

## Bible Distribution

“ All scripture is breathed out by God and is profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.” 2 Timothy 3:16,17, ESV.

I met Pastor Fredrick Munuku several years ago at Operation 6:12, a local drug and alcohol treatment program. Pastor Fred was helping out there while studying at Ashland Theological Seminary. He just graduated from there with a Master's degree in Christian Ministries.

He is doing great work in Kenya and Uganda training young pastors and ministry leaders through his organization, Harvest of Hope Africa. He has started Ezra Bible College and has a hundred pastors enrolled. Through generous donations we are able to supply him 100 Life Application Study Bibles. The following article is written by Pastor Fred expressing appreciation.

### BIBLES ON DEMAND

The conference here in Uganda was a great success... themed as "Handling the word of truth correctly. It was great eye opener in the areas of hermeneutics where Pastors and church leaders were highly stirred to read the word of God distinctly, give it sense by applying already taught tools and make people to understand. Therefore a huge need for study Bibles arose from this conference owing to the fact that these leaders come from remote rural areas of Uganda. However the team received the gifts of already given Bibles with immense gratitude to the entire team in Souls4Him Ministries for this glorious and generous hand of help. Thank you for sharing this great love in Christ to us in Ezra Bible college and the entire conference attendees.

*Here are a few more testimonials of recent Bible distribution:*

I did witness first hand how pastors are in great need of the Bibles when most realized that they are almost going to miss because we didn't have many. I could see the pastors pushing one another to make sure that they do not miss out. For me it was a humbling experience, because if that is how the leaders are, how about the people that they lead? I want to say a big thank you to our brother Philip Stutzman for this great partnership that is empowering leaders in the churches by ensuring that they have access to the Bible.

We bless the Lord for the donation of Bibles to our Pastors. It was a great honor to our teams to access Bibles which is a great desire for them. We want to appreciate you Brother Philip as we look forward to reaching more pastors on the same. The urge in most areas is high especially to our Pastors whom we are training in Ezra Christian college. We wish to empower more with Bibles. In Uganda it was awesome to meet more than 64 pastors who are also hungry for Bibles. In Mumias we also have a team of pastors that desire the same. We believe we shall reach them.
