

REGEN220

Heath Knepp is the visionary and founder of ReGen220. Heath has a driving passion for youth and young adults. He has served as youth pastor in his local church for quite a few years and is very passionate about his faith in Jesus Christ. His life verse is Galatians 2:20, "I have been crucified with Christ. It is no longer I who live, but Christ who lives in me. And the life I now live in the flesh I live by faith in the Son of God, who loved me and gave himself for me."

Hence the name, ReGen220, based on Galatians 2:20. The Holy Spirit started impressing this vision in his heart ten years ago. By nature Heath is a "go getter" and gives 110% when he does something. So Heath went through a time of waiting until he felt released from the Holy Spirit that the time was right.

The vision was to have a place where youth and young adults from various churches and denominations could come together for a weekend of intense worship and Bible teaching. He envisioned this to be an annual event. The first ReGen220 Youth Conference was held in 2019 in Washington Indiana.

The pond at Camp Illianna, a place for reflection and meditation.

So many experienced freedom!

Several hundred youth have been attending this annual conference. Lives are being impacted, and are experiencing freedom in their lives by the power of the gospel! Elsie and I were invited to come this year where I was the keynote speaker. It was an amazing weekend at Camp Illiana in Washington Indiana.

There's ample housing for out of town youth right there on the grounds. It's a beautiful setting with a large pond and stately trees where you can have your quiet time with the Creator of the universe!

I sensed a real spirit of humility among all the persons in leadership of the Conference as well as the various worship teams. It was humbling to see the Holy Spirit at work using ordinary people to accomplish extraordinary things. To Jesus Christ be all honor and glory.

If you're still reading this and are in a position to influence and invite youth and young adults, please put this event on your Calendar for August 2023.

Thank you!
